

THE UNIVERSITY OF  
CHICAGO

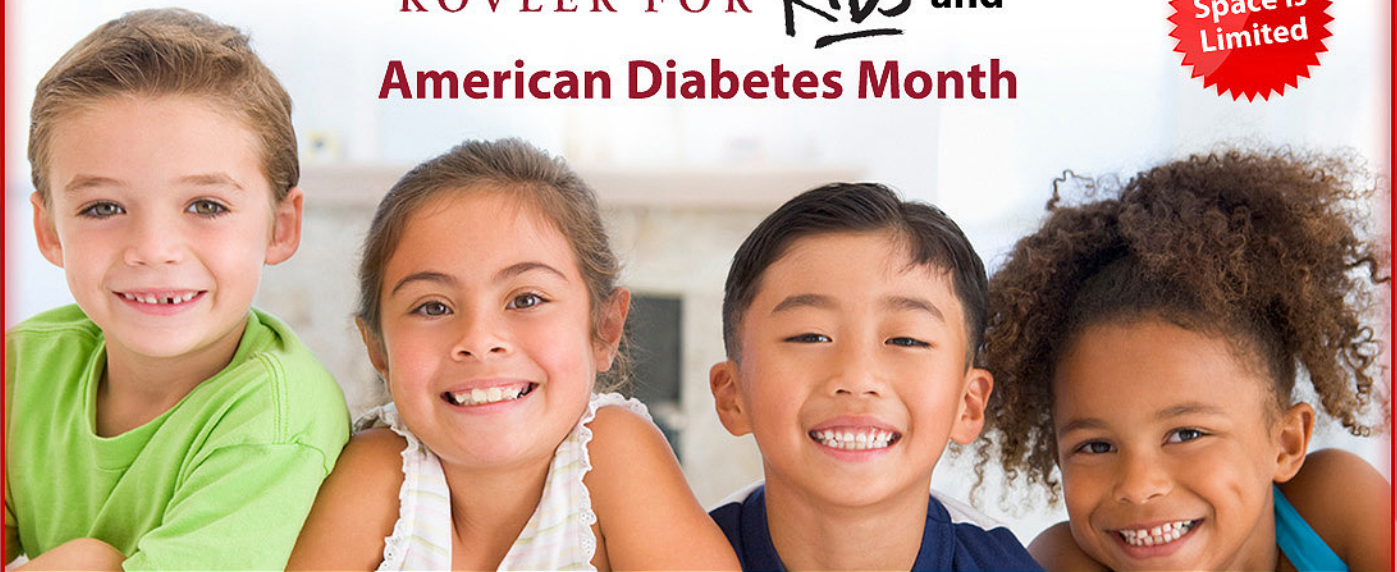

KOVLER DIABETES  
CENTER FOR **KIDS**  
AT COMER CHILDREN'S HOSPITAL

**YOU'RE  
INVITED!**

Join us for a **FREE** educational event celebrating

KOVLER FOR **KIDS** and  
**American Diabetes Month**

Space is  
Limited

**Sunday, November 6 • 9-11:30am**

Kohl Children's Museum 2100 Patriot Blvd, Glenview, IL 60026

Join experts from the University of Chicago  
Kovler Diabetes Center for a fun-filled morning!

This event is for families with children living with diabetes. Children under 12 with diabetes, siblings, parents and caregivers are welcome. Museum admission for the event and breakfast is included! After the event, everyone may return to the museum from 12pm-5pm for free admission.

- Take part in activity stations
- Hear what's new in diabetes care and research for children
- Visit the new *Science + You* exhibit!
